## WORK EXPERIENCE

09/2011–Present

## Researcher - Project manager

Institute for Researches on Population and Social Policies - Italian National Research Council, Rome (Italy)

My research at IRPPS-CNR have focused on studies on higher education and research on social policy, with a focus on the gender perspective. I've worked as project manager and evaluator for a number of FP7 and H2020 European Project coordinating tasks, deliverable and financial plan and reports for different research group at CNR. I've been in charge of examine funding opportunities and coordinate CNR participation in collaborative EU proposals. Below are listed the projects granted to CNR-IRPPS that I've been managing. The average budget was 2Millions and the Consortium varies from 9 and 16 partners from all over Europe.

- **SET-DEV** - Scientific and Technological Responsibility in Developing and Emerging Countries (Kenya and in India). Collaborative Project, 7th Framework Program.
- **E3M** - European indicators and ranking methodology for university third mission. Lifelong Learning Programme
- **RESPECT** - Rules, Expectations & Security through Privacy- Enhanced Convenient Technologies. Collaborative Project, 7th Framework Program
- **SMART** - Scalable Measures for Automated Recognition Technologies. Collaborative Project, 7th Framework Program
- **EVIDENCE** - European Informatics Data Exchange Framework for Courts and Evidence. 7th Framework Program
- **MAPPING** - Managing Alternatives for Privacy, Property and Internet Governance. Collaborative Project Science & Society Program, 7th Framework Program
- **CITYCoP** - Citizen Interaction Technologies Yield Community Policing. Horizon2020 Societal Challenge: Fight Against Crime And Terrorism, RIA
- **OPENUP** - New methods, indicators and tools for peer review, dissemination of research results, and impact measurement
- **CARISMAND** - Culture And RISkmanagement in Man-made And Natural Disasters. Societal Challenge: Safeguarding Secure Societies, Horizon2020 Framework Program, CSA
- **GENERA** - Gender Equality Network in the European Research Area. Collaborative Project Promoting Gender Equality In Research and Innovation Program, Horizon 2020 Framework Program. In the project I've been appointed Implementation for gender equality at the Italian National Research Council.
- **RI-PEERS** (Pilot experiences for improving gender equality in research organizations)

Between 2013 and 2014 I've worked as consultant at the CNR European Project and EU relationship Office to foster the participation of the organization to the H2020 framework supporting the over one hundred research Institutes in Italy.

In 2011-12 I manage a field research on living and working conditions of migrants in agricultural sector of Southern Italy. The research was funded by Open Society Foundation following a grant application.

07/2001–09/2006

**Project manager**

Legambiente Onlus, Rome (Italy)

At Legambiente (the main environmental association in Italy) I worked at the International Department as researcher and manager for special programs and European Projects. In particular my main responsibilities were:

- January 2004 – June 2004 Project manager for the campaign "Danube: new Europe is meeting" in collaboration with Observatory on the Balkans and ICS - Italian Consortium of Solidarity.
- March 2003 – August 2003 Responsible for the project "New strategies for environmental awareness raising and participatory water management in the framework of the European Union enlargement process" approved by the EU Commission on the Phare budget line
- August 2003–December 2003: Responsible for the project: "Developing the capacity of environmental NGOs, through transfer of best practice from NGOs in the EU15 (under the PHARE 2003 Multi-country program "Environment and enlargement")
- January 2002 – December 2002 : Researcher for the project "Climbing to the Summit" of Legambiente and AMREF (African Medical Research Foundation). Travels and one year residence in Kenya and Tanzania. Management and coordination of the local staff of the project.
- August 2002: member of the official delegation of environmental Ngo's at the Summit on Sustainable Development of Johannesburg. Whit Matwen Ngunga of AMREF Kenya presented the main outcomes of the "Climbing to the Summit" research.
