

## Curriculum Vitae et Studiorum

Anna Milione

### Biographical Data

Date of birth	Anna Milione Cava de'Tirreni, March 3 <sup>rd</sup> , 1971
Address	84085 Mercato San Severino (SA), Corso Caracciolo, 2/14 Italy
e-mail	a.milione@irpps.cnr.it
Tax Id	MLNNNA71C49C361P
Phone	+39 349 587 4932

**Current Role** Anna Milione is a Researcher of the CNR-IRPPS – Institute of Research on Population and Social Policies of National Research Council.

She participates in INPOS, a large research program on the mapping of innovation in social policies and the current regimes of welfare.

Her expertise is in sociology of education, social policy, social inequality and policies and practices of inclusion in the Italian schooling system. Main recent research interests concern educational policies, functioning of school organizations, school inclusion processes.

**Education** University degree in Sociology, earned in the Academic Year 1996/97 at the degree course in Sociology of University of Salerno, final grade 110/110 cum laude.

Diploma of specialization achieved in the extraordinary session of the Academic Year 2000/2001, in Sociology of Health at the School of Specialization in Medical Sociology, University of Bologna.

Graduate of senior high school specializing in classical studies, achieved during the school year 1989/1990.

### Main Professional Experiences

#### From 2017-2019

She participated in research activities related to the project "Innovation and change in social policies" concerning the analysis of educational policies, the functioning of educational organizations and the processes of school inclusion

She participated in the ECER 2018 International Conference, "Inclusion end Exclusion, Resources for Educational Research?", Free University of Bozen-

Bolzano, Italy, 4-7 September 2018, presenting a paper entitled "Intercultural Education and Equity: Inclusion in Multiethnic Italian Schools through Global and Local".

She participated in the AIS Conference, "Educational professions: changes and new challenges", University of Salerno, Italy, 17-18 May 2018, presenting a paper entitled "Interculture in practice: knowledge and professionalism for plural schools".

She participated in the AIS-Edu conference "Evaluate to decide. Education policies in local contexts", Department of Social Sciences of the Federico II University of Naples, 25-26 October 2017, presenting a paper with Landri P. and Vatrella S. entitled "For a participatory planning of the units of learning in the field of Adult Education: an experimentation in Campania".

She participated in the "PAIDEIA 3" project which was part of the Activity Plan for the Innovation of Adult Education.

She participated in the collective volume Bonifazi C. (edited by) "Migrations and Integrations in Italy Today" making a contribution on the theme "The processes of school integration of pupils with non-Italian citizenship".

She participated in the "Digital Governance of Education: Analysis of the digitalization processes of school policies and the development of accountability schemes. Case studies on four schools of Campania". Specific research fields were: a) analysis of the evaluation processes of the national education system; b) analysis of the digitization processes of the national education system.

#### **2014-2016**

She participated in the collective book, Landri, P. (edited by), "Taking Care of Welfare. Social policies in the lens of Practice", analyzing the phenomenon of early school leaving in an urban environment.

She participated in the 2015 ECER International Conference "Education and Transition - Contributions from Educational Research", Corvinus University of Budapest, September 7-11, presenting a paper entitled "Tactics or strategies? Sociologies of Tackling Early School Leaving in Italy and Spain".

She participated in the 1st Annual International Conference, Mediterranean Knowledge, the International Center for Studies and Research, Border / s, University of Salerno, October 26-28, 2015, presenting a paper entitled: "Tactics or strategies? The Governance of Early Leaving School in Naples and Albacete".

She participated in the conference: "A school that includes: training, mediation and networking", University of Naples Federico II, June 26, 2014, presenting a paper entitled, "Non-standard students? Strategies and tactics for the inclusion of students with non-Italian citizenship in the schools of Naples".

### **2011-2013**

She participated in the two-year European Comenius Regio - 2012 "A Care For Every Child" project aimed at identifying strategies to combat early school leaving. The project investigates the phenomenon of irregularity in the first cycle of education in order to identify early warning signs of early school leaving in two disadvantaged areas of the urban periphery of Naples and Albacete.

She participated in the "Memory" action research commissioned by the Municipality of Naples, carrying out an ethnographic study on the activation processes of a group of elderly non self-sufficient institutions.

### **2009-2010**

She carried out research on the theme "Immigration and Education in Italy" within the research program "Welfare systems and social policies".

She participated in the Summer School of Sociology of Migrations, organized by the Medi Study Center, Migrations in the Mediterranean, in collaboration between the Department of Anthropological Sciences of the University of Genova and the Department of Social and Political Studies of the University of Milan.

She participated in the international conference ECER 2010, Education and Cultural Change, in Helsinki, Finland, from 23 al 27 August, presenting a paper on Policies and Trajectories of Inclusion of Immigrants in The Italian schooling system.

She participated in the Ais-Edu conference, "The regionalization of education and training systems", in Naples on 8 and 9 February 2010 at the Congress Center of the University of Naples Federico II, presenting a paper entitled Young immigrants at school: inclusion and location of rights in Italy.

She participated in the seminar on the research activities carried out by the training staff and temporary staff of the IRPPS-CNR Institute held at the IRPPS-CNR Institute's Europa Room on 10 and 13 November 2009, presenting a report on the theme "Social Policies for children in Italy and inequalities in educational opportunities: paths and perspectives".

### **From 1998 to 2008**

She is a contract Researcher of the CNR-IRPPS – Institute of Research on Population and Social Policies of National Research Council

She participated in the empirical research project on "The local welfare in Vallo della Lucania" belonging to the module "Gender and generations in local welfare systems".

She participated in the research program MIUR-FAR "SCENARIO" carrying out research activities on the topic "Analysis of governance practices at the

local level in the field of social policies through direct surveys in some territorial contexts".

She participated in the empirical research "Activation of social planning processes and analysis of land opportunities" commissioned by the Municipality of Pontecagnano Faiano (SA) aimed at detecting the social needs of minors and families and the provision of institutional and private social interventions present on the territory

She participated in research activities related to the "Welfare systems and social policies" program, carrying out a study on the theme "Policies to support families with children in the countries of Mediterranean Europe".

She participated in research activities related to the "Social welfare system and social policies" program carrying out a study on the theme "Poverty of minors in Italy".

She participated in the research project commissioned by the Campania Employment Agency (ARLAV) "Construction of a typology of young and adult subjects aimed at the qualification of preventive policies".

She participated in the research activities related to the Welfare system and Social policies program, carrying out a study on the theme of social policies for children and adolescents.
