

Adriana Valente, jurist and sociologist, is the scientific responsible of the research group Social Studies on Science, Education, Communication (COMESE), whose main aim is understanding and enhancing relations between science, politics and society. Among her research interests: relations between evidence and decision making; education policies, didactics of science and participation to the scientific debate; science communication and scientific community; representations of international migrations and migrants on media and textbooks.

Work experience

Since 2009: Research Director at CNR. Management and coordination of research activities within the CNR Research Unit “Social Studies of Science, Education, Communication” that includes science-society research activities in 3 National Research Council Institutes (Irpps of Roma, Irea of Milano, IFC of Pisa)

2019: professor in the Responsible Research and Innovation Laboratory, II level Master in Sustainable Development Jobs (2019-2020) organized by University of Milano Bicocca, Politecnico, University of Pavia and Fondazione Giangiacomo Feltrinelli, 11-12 october 2019, Milano

2013-2014: Contract professor at Università Telematica Internazionale Uninettuno, Course “Introduzione alla sociologia della comunicazione”

2011-2013: Guest professor at Master Science Communication, Sissa, Trieste, “Partecipazione e innovazione”, seminar in the course Comunicare l’innovazione

2005-2009: Guest professor at University Roma Tre, “Comunicazione della scienza ed educazione”, seminar in Master “Ingegneria ed economia dell’ambiente e del territorio” and supervisor of theses

2005: Guest professor at University of Bologna, seminar in the course “Bioetica e responsabilità della scienza e tecnologia”

2003: Guest professor at University of Urbino, “Comunicazione dei processi culturali”, lecture in the Master “Progettazione e gestione di servizi documentari avanzati”

2002: Guest professor at University of Firenze and University of Tirana, “Information and knowledge management”, lectures in the course on Cultural Heritage

1996-2001: Guest professor at Sapienza Università di Roma, “Documentazione e comunicazione” lectures in the course of "Documentazione" and supervisor of theses

1992-1997: Contract professor at University Lumsa of Rome, Course of "Sistemi Informativi" and supervisor of theses

1994-1996: Contract professor at University of Macerata, Course of "Informatica applicata agli archivi" and supervisor of theses

1993-1996: Contract professor at Sapienza Università di Roma, Course of "Sistemi Informativi e documentali" and supervisor of theses

1990-1995: Contract professor at University IUM of Naples, Course of "Sistemi Informativi per I beni archivistici" and supervisor of theses

1989-1997: Guest professor at Sapienza Università di Roma, "Organizzazione delle informazioni e accesso alle conoscenze", lectures in the "Corso di Perfezionamento in Informatica Giuridica"

1988: Researcher at CNR, research activity in the field of science & society, information and knowledge management, sociology of science.

Education and training

1978-1982: Degree cum laude *in Law* at University of Naples Federico II

1996-2000: Degree magna cum laude *in Social communication* at Pontificia Universitas Gregoriana

Languages:

Italian: native language

English: advanced level

French: advanced level

Responsible of Current Research projects

2019 on: International coordinator of Erasmus + project INCLUDE: Integrated Content and Language via a Unified Digital Environment

2019 on: National coordinator of Erasmus + project GSO4SCHOOL : The Global Science Opera Leverage students participation and engagement in science through art practices

2015-2018: International coordinator of Erasmus + project DESCi: Developing and Evaluating Skills for Creativity and Innovation. The project has been awarded as Good Practice by the NA for Erasmus Projects Indire

2017-2018: National coordinator of Erasmus+ project DIYPES (participative approach to increase participation and engagement of high school students). Leader of WP2 PES curricula assessment

2016 on: Scientific responsible of the IRPPS- CNR project "Imago Migrantis", *analysis of texts and images of migrants in manuals and media in Europe*

2015-2016: Project creator and co-responsible of Pamphili-Scienza, project of science education, dissemination and participation to foster dialogue between science and society

2011-2016: National coordinator of FP7 project REPOPA. Leader of WP4 Implementation and Guidance Development.

2013-2016: Scientific responsible of the unit CNR SCE-Science Communication and Education of IRPPS-CNR for the FP7 Project Scicafe 2.0

2015-2016: Scientific coordinator of WP8-Divulgazione e integrazione dei risultati scientifici nel dibattito pubblico e nei processi decisionali of the "Progetto Premiale AQUA"

2012-2016: Italian scientific responsible of the International project coordinated by University of Montpellier "Migrants et migrations dans les Manuels Scolaires en Méditerranée - Representations of migration and implicit values in textbooks"

2011-2014: Scientific responsible of the IRPPS- CNR project "Women scientists and women toponymy"

2001-2014: Scientific responsible of the project "Perception and areness of Science – Ethics & Polemics". The project has been financed by Italian British Council, The National Research Council and by Accademia delle Scienze detta dei XL.

2004-2006: Scientific responsible of the unit CNR SCE-Science Communication and Education dell'IRPPS-CNR for the FP6 Project Biohead-Citizen.

Main memberships and coordinarion of conferences and work groups

2019: organization and presentation of the laboratory for schools "Naviganti senza epica: immagini di migranti nei giornali online e nei libri di testo", Fiera della Piccola e Media Editoria Roma "Più libri più liberi. Contaminazioni"

2019: member of the scientific committee and conference chair of the Italian National Conference "Officina Curriculum & Competenze 2019" The National Research Council of Italy, Rome, 26 Feb. 2019

2018: conference chair of the Conference SiS-RRI: Co-Create! - Co-creation of curricula, tools and educational scenarios for building soft competences for personal development and employability, Tartu, 17 settembre 2018

2018: member of the scientific committee of “Bluemed Participatory Workshop. Blue Economy in the European Basins”, Tartu, 19 settembre 2018

2018: member of the scientific committee of DIYPES Policy Lab, organized in Malta by the DIYPER Erasmus + Project on the 20th of June 2018

2017: Member of the scientific committee of the Italian National Conference “Officina Alternanza Scuola-Lavoro 2017” of the Erasmus+ project DESCI (*Developing and Evaluating Skills for Creativity and Innovation*), held in Rome on November 14-15, 2017

2017: Member of the scientific committee of the International Conference on Responsible Research and Innovation in Science, Innovation and Society 2017, held in Rome on September 25-26, 2017

2017 on: Member of the Scientific Committee of “Culture Digitali”

2016 on: member of the "Consiglio d'Istituto" of the Institute of Research on Population and Social Policies" of the National Research Council of Italy

2016: member of the Working Group C "Science communication and public engagement" of the “Comitato per lo sviluppo della cultura scientifica e tecnologica” of the Ministry of Research (Miur)

2016: Member of the scientific committee of the Italian National Conference of the project REPOPA (REsearch into POLicy to enhance Physical Activity), held in Rome on February 5, 2016

2015-2016: Member of the Jury for the European Foundations Award for Responsible Research and Innovation (EFARRI)

2014-2015: Member of the Local Scientific Committee of the H2020 SwafS Project SiS-RRI

2014 on: Member of the School Commission of The National Academy of Science of Italy

2014 on: Member of the Scientific Committee of "Sapere"

1998-2001: Member, as National Expert, of the “Information Society Forum”, WG2 “Social and democratic values, culture and the future of new services and the media” , for advice to European Commission

1998-2001: Member, as National Expert, of the “Information Society Forum WG3 “Universal access and consumer protection and support”, for advice to European Commission
