Department of Veterinary Medicine and Animal Productions, University of Naples Federico II (UNINA), Italy

Institute for Research on Population and Social Policies, Italian National Research Council (IRPPS-CNR), Rome, Italy

1 Education

- 25/01/09 | **PhD in Healthcare Organizations Management**, Faculty of Medicine, Faculty of Engineering and Faculty of Economic Studies, University Federico II of Naples (UNINA), Naples, Italy.
- 11/12/03 | **5 years Laurea Degree** (grade 110/110, equivalent to first class honour) in Management and Industrial Engineering, Faculty of Engineering, University Federico II of Naples (UNINA), Naples, Italy

2 Employment

2.1 Actual position

Since Dec 17 | **Assistant Professor of Medical Informatics**, Department of Veterinary Medicine and Animal Productions, University of Naples Federico II (UNINA), Via Delpino 1, 80137 Naples, Italy

2.2 Post-doc Research positions

- Jan 16-Dec 17 | **Research Fellow**, MOCHA project (MOdels of Child Healthcare Appraised), Italian National Research Council, Institute For Research of Populations and Social Policies (IRPPS-CNR), via Palestro 32, 00185 Rome, Italy [Call: H2020-PHC-2014-two-stage. Topic: PHC-23-2014. Proposal number: SEP-210176959. P.I.: Prof. Mitch Blair, Imperial College, London (UK)]
- Jun 11-Mar 17 | **Lecturer in Health Information Management**, Department of Veterinary Medicine and Animal Productions, University of Naples Federico II (UNINA), Via Delpino 1, 80137 Naples, Italy
Classes: “Strategies of Medical Informatics”, “Strategies of Medical Bioinformatics”.
www.docenti.unina.it/oscar.tamburis
- Feb 11-Feb 12 | **Research Fellow**, LUMIR project (Medical Network in Lucania Region), Italian National Research Council, Institute of Biomedical Technologies (ITB-CNR), Circonvallazione Nomentana 498, 00196 Rome, Italy
- Dec 09-Feb 11 | **Research Fellow**, LITIS project (Levels of Technological Innovation in the Healthcare Sector), Italian National Research Council, Institute of Biomedical Technologies (ITB-CNR), Circonvallazione Nomentana 498, 00196 Rome, Italy

3 International appointments

- Mar 2019 | **Visiting Professor** of Veterinary Medical Informatics, Universidad de Leòn (ES)
- Feb-Apr 2017 | **Associated Researcher**, Imperial College, Faculty of Medicine, School of Public Health (UK)
- Since 2015 | **External Expert** for the evaluation of COST Action Proposals (www.cost.eu)

4 Grants

I contributed in writing the following research projects/tenders:

	Funder/Co-funder	Type	Project title	€	Role
Nov 19/Jul 22	PON Imprese e Competitività 2014-2020. Asse I. Azione 1.1.3	National	TRANSFER – Tecnologie innovative per la realizzazione di una smart farm nel settore bufalino	2 M	WPL
Sep 19/Sep 22	PSR Campania 2014/2020 – Tipologia Intervento 16.1.1	Regional/ National	S.U.S. Campania – Suino Utile e Sostenibile in Regione Campania	200 k	Deputy P.I.; WPL
Nov 18/Apr 20	PO FESR Campania 2014/2020	Regional	FOCUS – Flying Outfit for Control of Unsafe Saegulls	1,1 M	Federico II University of Naples Team Project Member
Mar 13/Mar 15	EIP-AHA (European Innovation Partnership on Active and Healthy Ageing)	International	B3 Action Group (Integrated Care)	-	Campania Region Team Project Member

Jan 12/Jan 15	CIP-ICT-PSP-2012-6	International	<i>United4Health – UNiversal solutions in TElemedicine Deployment for European HEALTH care</i>	5 M	Campania Region Team Project Member
Mar 12/Sep 14	PON GAT FESR 2006/2013 (Italian Ministry of Health)	National	<i>Development of Telemedicine and eHealth Roadmaps in South Italy Regions</i>	11 M	Senior Research Member and Consultant
Jan 12/Dec 12	Campania Region/University Hospital Federico II (Naples)	Regional	<i>Pelvic Floor Interdepartmental Unit</i>	30 k	Principal Investigator and HTA Team Director
Jan 10/Feb 11	Italian Ministry of Health/Federsanità- ANCI/FORUM P.A.	National	<i>LITIS (Livelli di Innovazione Tecnologica In Sanità) – Levels of Technological Innovation in the Healthcare Sector</i>	50 k	CNR Team Project Member/Research Fellow

5 Memberships

From Dec 17 | **Deputy Coordinator**, Innovation Technology Committee, Order of Engineers of Naples
 From 2005 | Order of Engineers of Naples, Member of Innovation Technology Committee

6 Participation to international scientific committees

- 2017 | **Invited Chair/Speaker** at the World Education Day-2017 (WED-2017), Dalian, China, 27-29/9
- 2014 | **Track Chair** at the 9th Edition of the International Forum on Knowledge Asset Dynamics (IFKAD) “Knowledge and Management Models for Sustainable Growth”, Matera, Italy, 11–13/6 (www.ifkad.org)
- 2013 | **Chairman** at the X Conference of the Italian Chapter of AIS (ItAIS), “Empowering society through digital innovations”, Milan, Italy, 14/12
- 2012 | **Member of the steering committee** within the Italian Ministry of Health for the creation of the “Guidelines for the implementation of Telemedicine” in Italy
- 2012 | **Chairman** at the XXIV MIE Conference (European Federation of Medical Informatics), “Quality of Life through Quality of Information”, Pisa, Italy, 26-29/8

7 Teaching

I am or have been responsible for the following modules:

- From 2018 | “*Introduction to Statistics*”, University of Naples Federico II (UNINA), Department of Agriculture Sciences, Italy
- 2018 | “*Medical Statistics*” High School of Technology and Pathology of Poultry Species, University of Naples Federico II (UNINA), Department of Veterinary Medicine and Animal Productions, Italy
- From 2017 | “*Innovation in Healthcare*”, Advanced Master in Management and Coordination of Social and Health Care Organizations, University of Naples Federico II (UNINA), Department of Sociology, Italy
- From 2017 | “*Project Management: theory and practical application in the socio-sanitary field*”, Advanced Master in Management and Coordination of Social and Health Care Organizations, University of Naples Federico II (UNINA), Department of Sociology, Italy
- From 2010 | “*HTA policies and dynamics*”, Advanced Master in Healthcare Management, University of Naples Federico II (UNINA), Department of Public Health, Italy
- From 2015 | “*Strategies of Medical Bioinformatics*” High School of Science of Medicine of Laboratory Animals, University of Naples Federico II (UNINA), Department of Veterinary Medicine and Animal Productions, Italy
- 2014 | “*Telemedicine*”, Advanced Master in Healthcare Management, University of Naples Federico II (UNINA), Department of Public Health, Italy
- From 2012 | “*Strategies of Medical Informatics*”, University of Naples Federico II (UNINA), Department of Veterinary Medicine and Animal Productions, Italy
- 2011 | “*Processing Information Systems*”, University of Naples Federico II (UNINA), Department of Public Health, Italy
- 2011 | “*Organization of Healthcare Information Systems*”, University of Sacred Heart, Faculty of Economics, Rome, Italy
- 2006/08 | “*Public Services Economics and Management*”, University of Naples Federico II (UNINA), Department of Economics, Italy

8 Editorial board of international journals

- From 2020 | **Reviewer** for IEEE Access
- From 2019 | **Reviewer** for the International Journal of Research and Development Innovation Strategy (IJRDIS)
- From 2019 | **Reviewer** for IEEE Transaction of Industrial Informatics (IEEE TII)

From 2015	Reviewer for the International Journal of Data Science (IJDS)
From 2012	Reviewer for the journal Knowledge Management Research and Practice (KMRP)
From 2010	Reviewer for the Journal of Measuring Business Excellence (MBE)
From 2009	Editorial Board Member of the International Journal of Information Systems in the Service Sector
2012	Guest Editor for the Special Issue of the International Journal of Information Systems in the Service Sector “Management of Intellectual Capital in Health Insurance Organizations”, Vol.4, No.4.

9 Publications List (in chronological order)

Author of 80+ papers in international journals, international conferences, and book chapters with peer review.
